CATERING AND FOOD FOR CRUISING AND CHARTER SAILING

To make a day out on the water extra special, good food is the added essential. Better still, we save you the hassle of visiting a supermarket or organising catering and food for your guests and crew bringing all you need to the marina freshly prepared by our resident chef.

These are our suggested hampers, race day bags, breakfast to go and dinner menus to please all, however our chef is highly versatile and can plan for every taste and every boat.

Picnic Hampers for all corporate events. Minimum 6 people. Prices vary dependent upon seasonal variations.
